Statement of student rights

Eton College is certified with the [Private Training Institutions Branch](#) (PTIB) of the British Columbia Ministry of Advanced Education and Skills Training.

To our students:

Before you enrol at a certified private training institution, you should be aware of your rights and responsibilities.

You have the right to be treated fairly and respectfully by the institution.

You have the right to a student enrolment contract that includes the following information:

- amount of tuition and any additional fee for your program
- refund policy
- if your program includes a work experience, the requirements to participate in the work experience and the geographic area where it will be provided
- whether the program was approved by PTIB or does not require approval.

Make sure you read the contract before signing. The institution will provide you with a signed copy.

You have the right to access the institution's dispute resolution process and to be protected against retaliation for making a complaint.

You have the right to make a claim to PTIB for a tuition refund if:

- your institution ceased to hold a certificate before you completed an approved program
- you were misled about a significant aspect of your approved program.

You must file the claim within one year of completing, being dismissed or withdrawing from your program.
